

2024 ISC STATE & TERRITORY WEBINAR SERIES - VICTORIA

27 AUGUST 2024, 7.00pm (AEST)

Stay updated with the latest news on red meat traceability programs!

Hosted in partnership with Integrity Systems Company (ISC) and Agriculture Victoria, this webinar is designed to bring you up to speed on the latest developments in key ISC programs.

All registrants will receive a video recording, Q&A transcript and other resources.

Learn about:

- Livestock Production Assurance (LPA).
- How to complete a Property to Property transfer on the National Livestock Identification System (NLIS).
- Important updates for sheep and goat traceability for Victoria.

Who is this webinar for?

Anyone handling livestock – farm owners, managers, overseers, hobby famers, small farmers, farm hands and agricultural teachers.

Ask a question for ISC or Agriculture Victoria during registration or during the webinar.
