

IMPORTANT INFORMATION

LPA NVDs

Updated versions of LPA NVDs for all species, were released on 1 July 2020 – identified by version number 0720. This is now the ‘current’ version

From 1 Jan 2021 – ONLY the current version will be accepted

Moving livestock with non-current LPA NVDs is a breach of LPA Rules and Standards and could affect your accreditation. You must be LPA accredited to be able to access LPA NVDs

eNVD. The faster, easier way to complete livestock consignments. The eNVD system always has the current LPA NVD version and is available online in your LPA account at lpa.nlis.com.au

If you need help accessing the eNVD, please contact the ISC Helpdesk on 1800 683 111

Be prepared. If you wish to use a LPA NVD book make sure you order your new book well in advance, otherwise use the eNVD

Due to high order volumes and postage delays, there is a 6-week turn-a-round for hard copy book orders. Remember to use eNVD if needed.

The fastest way to order a new LPA NVD book is online in your LPA account at lpa.nlis.com.au

If you don't have internet access, you can place an order with the ISC Helpdesk on 1800 683 111
